

# Turkey Door Hanger

## Materials Needed:

- [Pacon® Foam Sheets](#) – yellow, red, orange, brown
- [Pacon® Wiggly Eyes](#) - 2 Large
- [Pacon® Seed Beads](#) - yellow & white
- Glue
- Black marker
- Scissors
- Pencil

## Instructions:

**1. Trace and Cut:** Using the [Template](#) trace and cut the turkey's body from the brown Foam Sheet. Trace and cut feathers from yellow, red, and orange foam. Trace and cut waddle from red foam. Trace and cut feet from orange Foam Sheet.

**2. Give It Wiggle:** Take 2 large Wiggly Eyes and glue them on to the foam.

**3. Glue on the Rest of the Parts:** Refer to photo for placement of all pieces and glue in place. Let dry.

**4. Give it Specks:** Use yellow and white Seed Beads and glue them on the body and head feathers to give it some texture.

**5. Accent It:** Outline everything with a black marker.
